

Boy Scout Troop 526 Peterson's Holiday Nut Sale 2012 Guidelines

1. The annual Holiday Nut Sale will be conducted from November 1st through December 2012. We will be using Peterson's Nuts as our supplier this year.
2. Each Scout will earn money for their Scout account by selling items directly and/or by working after the weekend Masses the weekend of Dec 1-2 (profits to be split evenly amongst all Scouts who work after Masses that weekend). We will also sell at the St. Albert's PTO Craft Fair on Dec 1st. Profits from the Craft Fair sale will go directly to the Troop. Scouts will earn service hours for working at the Craft Fair.
3. Items will be available for delivery to your customers from the onset of the sale.
4. We will pre-order all of the items on the order sheet so they will be in stock and available for quick delivery. After the initial order, the troop will place additional orders as needed. There is a 7 day lead time on all additional orders. Cut-off dates for additional orders will be communicated via email. **Note:** Each Scout may submit an order at any time throughout the sale, but availability of items is based on current inventory. We will let you know if items to fill your order need to be ordered from Peterson's.
5. Each Scout will receive an order form to keep track of their individual customer orders. Submit all orders to: Don or Sharon Takitch (440) 237-5758, djtak23@aol.com or bring to the Troop meetings on Tuesday's. We will schedule a time for you to pick up items and/or will bring items to the meetings.
6. Scout shifts during the sales at St. Albert's Masses on Dec 1-2 will include a commitment of 20 minutes before & 20 minutes after the Mass ends. This will facilitate the passing of the money box to the next shift. Sign-up sheets with details will be available at Tuesday meetings and sent via email.
7. The Craft Fair on 12/1 will be worked in 2 hour shifts. There are set up shifts on Fri night 11/30 and Sat morning, a post Fair clean up shift on Sat afternoon, and shifts during the Fair for manning the nut sale table and emptying trash cans throughout the school and church hall once per shift. We also need adults to work the Craft Fair. Sign-up sheets with will be available at Tuesday meetings and sent via email.
8. If you cannot work a shift that you have signed up for, then you are responsible for arranging your own replacement. Scouts will not earn any profit sharing if they do not show up for a scheduled shift.
9. Please collect the money for your individual sales when making the sale or upon delivery of the items to your customers. Promptly turn in the money to Don or Sharon Takitch at the Troop meetings on Tuesday's or when you pick up your items. We need your money ASAP to pay for the items that we receive from Peterson's. **All money owed needs be paid in full by the first troop meeting in January 2013. All checks should be made payable to Boy Scout Troop 526.** Since we need the money to pay for the orders, we reserve the right to deduct any money still owed after the first troop meeting in January from the scout's camping account.
10. The Troop will keep .25 cents on each separate item sold during the sale. The remainder of the profit on each item sold will go to the Scout accounts. Profits from individual sales go to the Scout making the sales. Profits earned during the weekend Masses will be shared equally by all the Scouts who worked.
